

*"...and over the
near green hills..."*

for string quartet, field recording, and (optional)
piano

2020

RICHARD P JOHN

...and over the near green hills...

for string quartet, field recording and (optional)
piano.

by Richard P John

2020

Each player has two pages, to be played in order.

Pages are played traditionally - left to right, top to bottom.

Play each note somewhere within the time frame for at
least five seconds.

Where notes appear in two consecutive time frames, leave
a gap of a few seconds after the end of one note and the
beginning of the next.

Dynamics to remain at *mp* or below.

Track starts at 0'00" and finishes at 8'00".

If piano is used, piano should occasionally
echo/imitate/respond to the notes played by the strings,
with two or three notes, using any notes of the C lydian
scale, upwards from around middle C.

The title is taken from *Walden* by Henry David Thoreau.
