

what is a sound, after gertrude stein
for aine o'dwyer

what is a sound
a sound is two things heard at one and the same time but not together
make a sound
that is a difference between a hand a foot
make a sound
that is a coincidence
make a sound
that is a difference between a sentence and a paragraph
make a sound
that is together
make a sound
that is one of two ways
make a sound
that is an accident
make a sound
that is two
make a sound
that is a sound heard by the eyes
make a sound
what is a sound
