

# Trio

(Avrupa lila stirilamı yanlardan misiniz)

For Cellist, Pianist, and Percussionist\*

(2003)

Stephen Chase

Percussion: Frame Drum, 3 Tomtoms, Bass Drum,  
3 suspended cymbals (splash, medium suspended,  
chinese), hi-hat, <sup>maracas</sup> miscellaneous sound(s) (may  
be sounds selected from the instruments listed  
or other instrument).

### **Trio: 'Avrupalı lastırılamışınlardan misiniz'**

Despite the subtitle this is not an anti-European tract (an agglutinative Turkish phrase that translates as 'are you one of those who cannot be Europeanised?'), however pondering this phrase and its structure - 'comprehensible' only when fractured - led to a compositional concern with modes of continuity and rupture; and on a related note to thoughts about the 'civilising' values we in the West invest and impose in our transactions: to quote the 16-year old John Cage, 'Other people think, and they don't think the way we do, particularly about us.'

*Trio: 'Avrupalı lastırılamışınlardan misiniz'* was first performed at the Huddersfield Contemporary Music Festival Young Composers' Workshop by Apartment House (Richard Benjafield, Anton Lukoszevieze, Philip Thomas) on the 25<sup>th</sup> November 2003.

Percussionist's instrumentarium: frame drum, 3 tom-toms, maracas (shakers optional), cymbals (splash, medium suspended, chinese, hi-hat), bass drum, double bass bow(s); flexible choice of beaters, etc.

#### Performance notes

**P** Percussionist: maracas to be played with one hand (one or two of a pair); trills may be played with one in either hand; accents may be emphasised by maraca or other shaker(s) in other hand. (Optional: the player may use accents as a point at which to have another instrument - different size of maracas, other shaker(s) - take over from the initial instrument used.)

**R** From here a system of cueing is applied. Where a player has a bar with no given duration this signifies that once they have played the material in that bar they are to either pause, or hold their sound (sustain or let resonate - indicated by a stemless black notehead with legato marking) until the next cue is given. Work towards and away from the timbres and textures made by one's fellow players.

Indicates that a player is to initiate the marked bar either visually or aurally

Sustained sound (bowed, rubbed, stroked, etc., but *not* tremelando)

#### Percussion **'Sizzle'**

**'edge'**

Vibrate a stick or other implement against a sounding cymbal.

Strike the edge of the cymbal.

$\text{♩.}=54$  Leggermente  
pizzicato

## Trio (Avrupa bilgilis tilamıyanlardan misiniz?)

Stephenson

Cello

167. *pp* glissando

Piano

Musical score for strings, page 16, measures 167-174. The score consists of two staves. The top staff is for the strings and the bottom staff is for the bassoon. The key signature changes between B-flat major (measures 167-170) and A major (measures 171-174). The time signature is common time throughout. Measure 167 starts with a dynamic of  $p p$ . The bassoon part (bottom staff) has a dynamic of  $f$  and a tempo of  $\frac{1}{16}$ .

Percussi

Frame drum  
(Hand(s) or  
stick (clap))

lightly muted

pp

Cela

A musical score page showing a single staff of music. The staff begins with a clef, followed by a key signature of one sharp (F#), and a time signature of common time (indicated by a 'C'). The music consists of a series of eighth-note patterns. Some notes have stems pointing up, while others have stems pointing down. There are also several rests of varying lengths. The notes and rests are distributed across the staff, creating a rhythmic pattern.

Piano

Petrucci  
Fusmede

ello

## Piano

## Percussion

A handwritten musical score for marimba. The score consists of two staves of five-line staff paper. The first staff begins with a dynamic of  $\text{f}$ , followed by a series of eighth-note patterns with grace notes and slurs. The second staff begins with a dynamic of  $\text{f}$ , followed by a sixteenth-note pattern. The score concludes with a dynamic of  $\text{f}$ . To the right of the music, the text "Move to Tom toms" is written above a measure, and the number "5" is written below it.

$\rightarrow$  = order in which keys are to be released in right hand cluster.)
