

le colonne d'Ercole

for solo cello (1996)
(new rebarred, revised and corrected edition 2001)

James Erber

1

e=72 (grimly, mechanically, as if unwillingly performing a well worn party piece)

Violoncello

Tuning: C_2 G_2 C_3 F_3

①: Each passage should be played on the string indicated. Occasional deviations to clarify fast notes, acciacaturas etc. can be made at the player's discretion. Note that, while the C string is tuned a major third lower, its material is notated as written rather than sounding pitch.
