\*

*-a haiku bringing together the past, present and future*

your past, present and future in the now  
giving you the ability to see beyond the dimensions of space & time  
to see the truth from everywhere

---

*'Moon sends memories  
Sail away amongst your dreams  
Find strength in the sky*

*The river's soul ends  
As the silence calls the light  
Come home to the sun'*
